***An important message to our EBCRS members from the Board
of Trustees and Education Ministry***

Financial Freedom Classes – Fall 2008

The Board of Trustees and the Education Ministry are pleased to announce a special offering of the Financial Freedom classes to our **EBCRS Members** at a reduced rate of \$20 – (cost of the workbook) or \$50 if you take the class for credit (workbook and certificate) for the Fall 2008 term. This is our way of saying, “Thank you,” to our members for their loyal and continuing support of our **Expansion in Unity 2008** campaign.

What is Financial Freedom? **Finance** = the management of money. **Freedom** = the state of being free of restraints. **Financial Freedom** = the “state of mind” when money is no longer a restraint in our Self-Expression.

*“**Financial Freedom** is not about how much money we might have. It is the way we feel about the experience of money in our lives. Financial freedom is the awareness of God as the true and only source of our financial freedom.”*

Classes begin Tuesday, September 16, 2008. In addition to the Tuesday evening class, we are offering a Tuesday mid-morning class from 10:30 am – 1:30 pm, a Saturday class from 10:00 am – 1:00 pm, and depending on registration, an optional Friday mid-morning class from 10:30 am – 1:30 pm.

If you have previously taken the class, this is a great opportunity to refresh and fine tune your financial management tool chest. There is no cost to anyone who has taken the class and still has their workbook. **Non-members may take the class at the regular tuition rate of \$210.**

Pre-registration is required, as space is limited. Please complete a Class Registration and Agreement Form at the Education table and deposit it in the pyramid on the table. Fees are due and payable at the first class meeting.
